

THE SHUTTLEWOOD CLARKE FOUNDATION: Registered Charity 803525

YEW TRAIL OPEN DAYS

The development of the **Yew Trail Outdoor Classroom** site at Ulverscroft near Markfield (less than 10 miles from the centre of Leicester) is now into its second year. Working with the RSPB, National Forest, BTCV, Groundwork and Leicestershire County Council the Foundation has created a wonderful educational environment in the heart an English Woodland. Features include the **parachute learning area**, **woodland trails** through a site rich with wildlife (active **Badger sets**, **Muntjac Deer**, a wide variety of **birds, bugs & beetles**) a **bird hide**, **tree trail**, **opportunities for shelter building** and a **pond dipping area**.

By the **first week of May** this year there will be installed, deep within the wood, a Yurt (Central Asia Nomadic Tent) Classroom for up to 30 children offering endless opportunities to experience and learn in an unparalleled magical setting.

The whole site provides the stimulus to learn about the environment, enjoy the outdoors and, for schools, the opportunity to link the day's activities to a wide variety of curriculum subjects.

In addition the Yurt is available for hire and it provides a wonderful peaceful setting for artists, painting groups, photographers and those looking for relaxation in a truly tranquil setting. To find out more:

We are holding open days on Wed 17th June and Friday 19th June with pre-booked guided tours of the Yew Trail and pond area starting at the following times:

10am, 12noon, 2pm, 4pm 6pm and 8pm each day. There will be light refreshments served during the day.

To book your place on a tour call 01530 244914

or E mail yewtrail@shuttlewood-clarke.org

**Make your next visit a visit to the Yew Trail.
'A real wilderness experience on your doorstep'**

To find out more about the Foundation & the Yew Trail visit www.shuttlewood-clarke.org

We look forward to hearing from you.
